Prospective Parents' Profile for Donor

The information below will be released to your Donor, if she would like to know about you. Only write information you are comfortable sharing with your Donor:

Are you a single prospective parent or in a committed relationship/marriage? Please elaborate:

If you are in a relationship/married, are you a heterosexual or same-sex couple?

What is your race / ethnicity?

Please explain why you have chosen to pursue egg donation at this time (e.g., infertility history if applicable, length of time you've been trying to conceive):

What kind of contact, if any, would you like with your Donor? Do you prefer an anonymous donation? Why?

Who resides in your household in addition to yourself/yourselves?

Do you currently have any children? If so, what are their ages?

Will you be telling your friends and family about your egg donation process? Please elaborate:

Will you tell a child, if conceived, about the egg donation? Please elaborate:

If you did tell the child, what would you say if s/he asked to meet the donor?

This space is for you to tell the Donor anything you like:
